After witnessing the murder of her parents for marrying outside of their race, half-blood Astrid wants nothing more than to be left on her own. Placed in the care of Dag, a forgetful but well-meaning warlock, she vows to never feel as lost and helpless as she did on the day they were killed, and turns her back on the elves and the dwarves for destroying her life.

Forty years later, young dwarf Jarl VÇ«rn is certain that his city, Bjargtre, is under threat from an emerging goblin King. When his fears are dismissed, he asks Astrid to help him and his adoptive son, Knud, to reach the capital of LÇ«gberg safely, and Astrid finds herself pulled back into a world she never wanted to be a part of again.
