Lara Jean is having the best senior year.

And thereâ€™s still so much to look forward to: a class trip to New York City, prom with her boyfriend Peter, Beach Week after graduation, and her dadâ€™s wedding to Ms. Rothschild. Then sheâ€™ll be off to college with Peter, at a school close enough for her to come home and bake chocolate chip cookies on the weekends.

Life couldnâ€™t be more perfect!

At least, thatâ€™s what Lara Jean thinks . . . until she gets some unexpected news.

Now the girl who dreads change must rethink all her plansâ€”but when your heart and your head are saying two different things, which one should you listen to?
